

“We could not be happier.”

“We’re all set for the rest of our lives.”

~Residents at Cypress Village

FOR A WELL-LIVED AND WELL-CARED FOR LIFE

Cypress Village is home to a senior living community like you’ve never seen before. Our Life Care program enables residents to lead an active and vibrant lifestyle in enviable surroundings at whatever level of care they may need. From Independent Living and Assisted Living to Skilled Nursing and Alzheimers & Dementia Care, transitioning from one level of care to another couldn’t be easier. And our Wellness Clinic provides everything from physician and pharmacy services to scooter repairs and educational seminars.

You’ll find Cypress Village is a smart choice, personally, financially and socially. Our broad range of offerings and amenities make it easy for you to maintain connections to lifelong friends, and a wide selection of social activities and events are particularly conducive to meeting your new neighbors.

WHERE LIVING WELL IS EASY,

At Cypress Village you have a choice of luxurious apartments or one of our patio or garden homes or villas. The beautifully landscaped campus also houses virtually every amenity you can imagine, including a beauty salon and barbershop, an on-site bank, a library and guest suite accommodations.

LIVING YOUR WAY FEELS GREAT,

Located minutes from the renowned Mayo Clinic, Cypress Village was created as a mecca for health and well-being. We have exercise courses of all kinds, an outdoor gardening area, a heated indoor pool/aquatic center, our very own pet park, a putting green and croquet court, plus biking, walking and nature trails. You'll find easy access to the beaches of the Atlantic Ocean, as well as popular shopping destinations like St. Johns Town Center. And of course, numerous world-class golf courses are nearby, awaiting your next round.

AND DINING IS ANY WAY YOU LIKE IT

Dining is indeed a top priority at Cypress Village. Our award-winning chefs work diligently to provide the choices and selections that will please even the most discerning palates. Our artfully created dishes can satisfy most dietary restrictions, while keeping our residents and their guest raving. And our Loon's Nest Bistro and Café on campus offers the perfect venue to relax and have a meal with friends.
